Dear Friends,

The Toronto Armenian Community Centre (ACC) Golf Committee invites you to be a part of our exciting annual golf tournament supporting our community's youth activities.

What initially started as a small event has evolved into a large scale annual tradition, build upon many years of effort and dedication by our organizers and sponsors. This event has a lot of golf enthusiasts of all ages to participate in the one-of-a-kind tournament, while allowing our sponsors to establish special bonds with our community through the marketing of their products and services. Throughout the years the contribution to such a worthy cause has left a positive impression on all those involved.

The 18th annual ACC Golf Tournament in support of the Armenian Youth Center and ARS Secondary School, will be held on Sunday May 24th, 2020 at the prestigious Angus Glen Golf Club - South Course, in Markham Ontario. Your participation in this nonprofit event will enable the Armenian Community Center to maintain and develop its youth activities, while also promoting cultural awareness and civic responsibility.

We invite you to support this 18th annual ACC Golf Tournament by way of cash or gift in kind sponsorship, or by donating gifts to the afternoon's silent auction or raffle. Upon request we can provide you with a sponsorship package which highlights the various contribution levels and the corresponding recognition benefits. As always we offer wide variety of marketing opportunities for your company and would be pleased to custom tailor a sponsorship level to fit your needs.

Thank you for your support and we look forward to seeing you this spring!

Sincerely,

A handwritten signature in black ink that reads "Chahe Zarokian".
