Dear Friends,

The Toronto Armenian Community Centre (ACC) Golf Committee invites you to be a part of our exciting annual golf tournament supporting our community's youth activities.

Due to the global pandemic, we have been unable to host this tournament for the past two years. It has been a long road, but we are ready to welcome you all back and make this event one to remember.

What initially started as a small event has evolved into a large scale annual tradition, built upon many years of effort and dedication by our organizers and sponsors. This event attracts golf enthusiasts of all ages to participate in the one-of-a-kind tournament, while allowing our sponsors to establish special bonds with our community through the marketing of their products and services. Throughout the years the contribution to such a worthy cause has left a positive impression on all those involved.

The 18th annual ACC Golf Tournament in support of the Armenian Youth Centre and ARS Secondary School, will be held on Sunday, May 29, 2022, at the prestigious Angus Glen Golf Club, in Markham, Ontario. Your participation in this non-profit event will enable the Armenian Community Centre to maintain and develop its youth activities, while also promoting cultural awareness and civic responsibility.

We invite you to support this 18th annual ACC Golf Tournament by way of cash or gift-in-kind sponsorship, or by donating gifts to the evening's silent auction or raffle. As always, we offer a wide variety of marketing opportunities for your company and would be pleased to custom tailor a sponsorship level to fit your needs.

Thank you for your support and we look forward to seeing you this spring!

Sincerely,
